Angie & Brianna

Brianna and I will have days where we'll put on makeup and try on each others' clothes before going out for lunch and shopping. Today was a little different. As I turned around to ask her how I looked, she replied "good enough to eat," then pulled my bra down to lick my nipples. She and I have been dating over a year and we're both always horny, so it doesn't take much for us to start sucking on each others sweet clits. I have a feeling we'll be staying home today.

The secret sex rites of a religious sect

Sex Cults: An Inside Look

The belly dancer stopped short in her wild writhing gyrations and ripped off her jeweled G-string to expose her engorged vulva, drenched with the sweat running down the cleft between her naked breasts. With the grace of an athlete she bounded up the steps of the platform on which lay this well-hung new member of the sect, his cock standing erect and rigid, awaiting its baptism.

The girl straddled him, grasped the livid member with both hands and placed its head within the lips of her cunt. Then down she came with a bang that drove it far up into her pussy. As she did so, the guru struck a resounding blow upon the great brass gong and the leader rose, crying, "Now we offer our bodies to each other in the act of love, as we worship the god Siva, ruler of the universe."

The young man saw the devotees assembled at the other end of the hall take off their clothes and begin to couple. Each man took the woman next to him in his arms, threw her to the floor, and started fucking her. It was mass-copulation—the climax of the ritual of a so-called religious sect.

Thus did the inductee, an overgrown college student we'll call Mike, bear witness to the most extraordinary sexual experience of his lifetime. It began that afternoon as he walked home from school. A long, black limousine drew up alongside him at the curb and its chauffeur, a man in a Nehru Jacket and the white turban said, "Sir, please to enter the car. I will take you to the compound."

Mike knew about the cult and its leader. He'd often heard his parents discussing the strange goings-on in the big Victorian mansion where the crazy old woman lived with her congregation of young women devotees, Tibetan monks, Hindu mahatmas, and other religious characters she'd brought to America with her when they were expelled by the Indian government for immoral sexual practices, his father said. He had read in the papers of the frequent attempts of the ministers and

the righteous ladies of the churches to close down the place and deport these "demon" foreigners.

But the old lady held title to half the real estate on which the town was built. It had been her grandfather's farm. Her taxes paid a large part of the municipal budget. She contributed handsomely to the campaign funds of the governor and every other important state official.

Her story was the old familiar one of "the poor little rich girl." Her parents had been killed in an accident when she was five years old. She had been sent to Europe to be educated and eloped from school at the age of 16 with a dissolute French artist. She lived through the post-World War I years on the Left Bank with a crowd of expatriate Americans until her grandfather died, leaving her his immense fortune. She went to India, married a Rajah which gave her the title of Ranee.

She soon divorced him and took up with a local guru who was the leader of a small sect that practiced such far-out sex rites they were eventually forced to leave the country. She and the guru selected 50 of the youngest of the congregation and brought them back to the great estate in America she had inherited. She fenced off a thousand acres of farmland, repaired the huge ancestral mansion, greased the palms of a judge and the county officials, establishing a tax-free vegetarian community, as she called it, and carried on exactly as she had in India.

The Ranee met Mike on the portico of the old mansion. She greeted him in the Hindu fashion by bringing her hands together, placing the tips of her fingers and thumbs in the triangle to simulate the female sex organ as a sign of welcome. She led him through the house to the great hall, where the sect met each day for the sacred rituals.

This hall was windowless, lighted by many oriental chandeliers that cast a pale yellowish light through the incense-filled atmosphere. Around three sides of the room ran a frieze

of life-sized naked male and female bodies in every conceivable form of sexual connection—cunnilingus, fellatio, sodomy, and homosexual acts. The fourth side of the room was an alcove, now covered by curtains which concealed some mystery, Mike thought. In front of the alcove was a small

ting out like a flagpole. At the sight a deep murmuring sound arose from the crowd of devotees on the long benches as they began to hum their mantra, “Ommmmmm.... Ommmmmm... Ommmmmm,” in praise of Siva, the god who sanctioned their sexual rites. Mike noticed that the pale, ravaged face of the

dance floor.

At one side of the dance floor stood two high-backed chairs of carved ebony, flanking a table on which there was a huge bronze gong and striking mallet. At the far end of the hall were rows of wide wooden benches capable of seating a hundred devotees who were now entering the hall and seating themselves to watch and take part in the ceremonies that were about to begin.

Mike noticed that the devotees were all very young, especially the women who wore only the sarong tied around their waists. When they sat down, the sarongs flapped open and Mike could see their beckoning pussies. The sight of these and the naked boobs above, many of which were painted vermilion, made the big muscle at the bottom of Mike's belly stir and harden. He sure would like to throw a fuck into some of those pussies. Maybe he'd get the chance during the ritual.

As they entered the hall, a tall man with shaved head and long white beard, came forward. “This is Guru Gurdyef,” said the Ranees. “He is our leader and will conduct your examination as a candidate for admission to our community.” She motioned to the Guru, who struck the big gong as a signal for the devotees to be seated. He struck the gong again and through a side door bounded two young women, stark naked, laughing and dancing and wriggling their hips like belly dancers. They ran up to Mike and took off all his clothes. Then they squatted themselves down on the floor beside the Ranees.

The man struck the gong for the third time and three girls walked into the room. They were naked, garlanded with wreaths of flowers and the tips of their upright budding tits were painted vermilion, the area over their pussies dyed scarlet.

The first girl held a long, blood-red cock's feather with which she began to tickle the tip of Mike's dick, hanging loose and limp. Instantly, the great member shot up to erection, jut-

ting out like a flagpole. At the sight a deep murmuring sound arose from the crowd of devotees on the long benches as they began to hum their mantra, “Ommmmmm.... Ommmmmm... Ommmmmm,” in praise of Siva, the god who sanctioned their sexual rites. Mike noticed that the pale, ravaged face of the

old Ranees was burning red, her eyes bright and glittering with excitement. He wondered if these ceremonies would lead to his having to fuck her. He wondered what kind of a cunt she had and how she would use it, after a lifetime of debauchery. The two other girls carried a crystal bowl of rose-scented warm water and a big fluffy Turkish towel. Together, they washed Mike's enormous hard-on, drying it with the towel and teasing it with their long, dark hair. They anointed it with an aromatic oil to make it soft and slick as it entered the cunt Mike was now sure they were preparing him to fuck.

One of the girls took the tip end of his cock between her lips and sucked off the tiny drops of cum that had appeared there. She licked her tongue around the edge of the glans, giving Mike a premonitory thrill. Another girl took his balls in both hands and massaged them gently. He felt a tiny finger pushing in and out of his asshole. He was almost at the point of ejaculation.

The Guru saw this, sprang to his feet and pulled Mike up to stand beside him on the dance floor. He began to intone, in a deep, priestly sounding voice like a chant, “My children, we have here a jiva, a young man generously endowed by nature with the sign of Siva, god of procreation. We will test him, by the Tantric method, for his ability to perform our sacred rites.”

The Guru reached down and raised Mike's dick so all the disciples could see its huge size. “The way of Tantra consists of three steps—purification, elevation, and the reaffirmation of the jiva's consciousness of self. You have seen the first two steps, the washing and the erection of the phallus. The jiva is now ready for the third step, in which his total vital essence will rouse itself from its coiled state and ascend into the shush Uma, or yoni, the dark channel of Sakti, the female element. There, they will unite in perfect bliss. I will now unveil the god so that he may witness and sanctify this holy union.”

The Guru then pulled the cord that released the long cur-

tains covering the alcove. They parted to show the statue of the god Siva seated in the lotus position, feet crossed in front of him, his huge fat body naked and draped with silken scarves; a ruby fixed in the middle of his forehead. At the sight of the image, fully eight feet high in its sitting position, the disciples threw themselves on their knees and raised the sound of their mantra to a high, keening sound that sent shivers through Mike's bones.

The Guru struck the gong again and a beautiful young woman, naked except for a jeweled G-string and golden rings around her wrists and ankles, came onto the dance floor. She was an oriental belly dancer; Mike recognized her at once from the pictures he had seen. She was brown-skinned, with long jet-black hair, and as she moved she swirled around her a long saffron yellow scarf, like the ones draped over the god's body.

The belly dancer bowed low before the statue of the god, then knelt in front of the Ranees and the Guru seated in the high-backed chair. Alluring music came floating through the incense-laden air and she began her dance. She moved slowly at first, swaying her lithe body back and forth and sideways, circling around Mike standing in the center of the polished teakwood dancing floor.

Gradually she increased the tempo; the music flared into the high, skirling notes of flute and pipe. The drumbeat came louder, faster, as the girl began to grind her hips and rotate her belly, ever and anon, jerking up her vagina until it came closer to Mike's face. He smelled the hot cunt-odor, saw the thick, swollen lips of her vulva under the G-string, felt the rasp of

the air into the lap of the god-statue, and threw herself upon Mike. As she did so, two attendants ran out and placed a cushioned settee on the platform in front of the god. The dancing girl struggled to bring Mike down upon the seat to allow his swollen cock to slide straight up into her vagina.

She was strong and supple, slick all over with oil and sweat, slippery as an eel in Mike's arms. He managed to get her under him, thrust in his dick to the hilt, and felt the girl respond with powerful contractions and body movements such as he had never felt before.

He heard the great gong sound and the old Ranees cry, "Now we give our bodies to each other in the act of love, as we worship the great Siva, ruler of the universe." He saw the disciples taking off their clothes and begin to couple, each man fucking his woman in the position they preferred: some in the missionary way, others in the ancient fashion from behind, still others doing the cunnilingus. It was mass copulation, the climax of the rite of examination which was to bring Mike into the secret sex cult.

The belly dancer gave him everything she had—humping herself, twisting, turning, locking her legs over his back, thrashing her tits around his chest in the most provocative manner. She certainly was an expert at her business, far beyond the women Mike had been fucking. She gasped and shrieked as his cock began to swell just before he came, tried to extricate herself from its tremendous force, rallied and drove her body into his with superhuman strength. They came together in an explosive mutual orgasm that drained Mike completely. For the first time in his life he passed out.

her tits as she brushed them over his lips.

Instinctively, he reached out to grab those breasts, but she would laugh, pull back her tits and thrust up her cunt until it rubbed against the tip of his cock. At this point, the musicians soared into high, piercing notes, the Guru smote the gong, and the devotees began to chant, in the Hindu tongue, the rhythmic sounds of the Veda.

The girl was now at the climax of her dance; she suddenly reached down to rip off her G-string, flung it high through

When he came to, the chauffeur was helping him out of the long black limousine at the street corner where he had been picked up three hours before.

"Young sir," the chauffeur said. "You are now one of us. The Ranees bade me tell you that you passed the test with honor. She wants you to come to next Tuesday's meeting, and I will meet you here at three p.m."

Mike walked slowly home, wondering how he could explain being late for dinner.

Some readers wrote to us and asked that we share with you. So we will.

PICKPOCKET

So, I must tell you about this experience I had a couple of weeks ago. Some buddies of mine and I were out walking the club scene. It was getting late, and we were already all pretty hammered, but we decided to check out one more for the night. It was the loudest and best club in town, and that night it didn't disappoint. We were able to get in and slowly made our way to the bar, only for me to feel something touch my dick just before we got there.

Almost as a reaction, my hand flashed out and grabbed a wrist that was just coming out of my pocket. I held it tightly, pulling it up and turning around to see who the wrist belonged to, and I was surprised to see a young woman, with short, dyed hair and an expression of fear on her face. She looked like someone who hadn't been caught before, and to be fair, even I'm a bit surprised I did catch her. I let go of her wrist and we glared at each other. Finally, she turned and ran, and I didn't expect to see her again, so I shrugged it off and rejoined my friends.

We were there a couple of hours, so it was surprising again to see her standing there across the street when we left. I spotted her and excused myself from my friends before making my way towards her. She looked panicked, like she both did and didn't want to be there. Yet, she stood firm, holding onto whatever was keeping her from running off. When I got there, she looked down and apologized for trying to pick my pocket.

And then she wanted to know if that was really my dick she felt through the pocket. When I told her it was, she choked back her words, but told me she wanted to see it. I looked around and pushed us back into a nearby alleyway before undoing my pants and pulling it out. Even only half hard, it was huge, and there was an instant hunger on her face. Her jaw dropped, and before I could do anything, she did too. Right to her knees, taking my meat in her hands and admiring it like it was some priceless score. Her tongue flicked out and started teasing the tip and slit, drawing a gasp from me. I looked around quickly again before leaning against the brick wall of the building, my hands on the back

of her head and pushing her down the shaft ever further.

I moaned and let her have it, never being one to turn away a free blowjob, and the intensity of her sucking and my thrusting only increased. My dick kept growing in her mouth, until she was only able to get about three-quarters of the way down before she was deepthroating and gagging on my tool. I kept pressing deeper, but she was good and knew what she wanted, forcing herself to keep going as deep as she could, like she wanted me to know that she could handle it.

When she finally did come up for air, I grabbed her and turned her around. She let out a scream that was more of a moan and, as I pressed her face first towards the wall, stuck her ass out at me. I took the hint as an invitation and flipped up her short skirt to admire the bare ass she was showing. Round and plump and a gift. I held on at her waist as I slowly drove myself all the way in. Her moans kept growing and I kept pushing deeper, until finally my heavy balls slapped up against her.

She looked back at me in surprise, even already knowing how big it was.

I leaned forward and kissed her with rough passion, my hips starting to move on their own as they pounded into her faster and faster.

I reached up under her shirt and found her bare boob and started flicking at the nipple. She was holding on tightly to the wall, fighting back the pain to enjoy the pleasure. Her waist started moving in time with me, holding the rhythm while digging even deeper. I was close, we both could feel it, and through the intense passion, she demanded I feed her. I quickly pulled out and turned her around, stroking quickly to get myself over the top as I shoved her back on her knees, her mouth wide open for me when I busted a huge shower not just in her mouth, but all over her face. Three huge helpings splashed out before she grabbed my dick and slipped it back into her mouth, taking the rest while sending me over the edge a couple more times. I emptied myself before pulling back against the wall and adjusting my jeans to put myself away, staring in wonderment at this beauty who'd tried to steal from me earlier, and ended up getting the best part!

SUN AND SAIL AND SEX!

Neil and I booked a nice sailboat for a week in Cozumel. He and I split the tab on the boat rental and thought it would be a fun way to spend the week. We didn't have to pay for hotel rooms since we could sleep on the boat. Best decision we ever made. We hit all the bars the first couple nights, and soon got into a crowd of other vacationers hanging out in town.

For the most part, it was the usual stuff, out drinking together, all day by the beach, tanning, a few rounds at the beach bars, etc. Our favorite place turned out to be Besties. It was a fun place with both locals and tourists. We met couple local ladies our second night there and hit it off. They were good friends who also were vacationing back at home since they worked in Cancun. Maria had a great figure, big boobs, lovely butt. And the one that I really had the hots for, Amber, was really pretty with honey colored hair, perky boobs, and a very bubbly ass.

They were both great to be around and we four came to be a bit of an item on the beach. They looked amazing in bikinis and even better when they were sunning on our boat. One night the girls said they wanted to go dancing but Neil and I passed. We were beat from a long day outside. We two stayed on the boat, having gotten pretty wasted and sunburned during the day. Neil was worse off than me and passed out on his bed. I had stripped off my clothes and rubbed some soothing lotion on to reduce the burning sensation.

It was late and I was laying on my bed listening to music when there's a knock on the cabin roof. I pulled on my shorts and went up to see Amber looking fantastic in her little party dress. "We're having a deck party. Wanna come, you and Neil?" she asked. I said sure but he was out of it. "No problem." she said, took my hand and pulled me around the side of the boat to the bow where Maria must have laid out some tanning mats. "Where's the party?" I asked, at which the two giggled, "We're it!"

For a minute, I stood there until Maria got up off the mats and started to slowly gyrate as the waves made the boat lightly roll. Then Amber pulled me over closer to them and we all swayed together. My dick was hard in ten seconds and very

noticeable in my board shorts. Then, together they pushed me onto my back on the mats.

Amber leaned over me and started to kiss the face off me. I could smell sweet alcohol on her breath, but then I felt my shorts being pulled off and my dick sprang up. As Amber kissed me, Maria took my manly rod all in her mouth. I took Amber's dress off and was kissing and fondling her fantastic boobs. She moaned and groaned, all the time Maria was sucking and deep-throating me real good, sucking my balls, licking my shaft, flicking her tongue up and down it. I realized I was close to cumming when Amber sensed this by my moaning and sucked and pinched my nipples.

This sent me over the edge and just as I started to cum, Maria fingered my ass. Lengths of cum shot out and into Maria's mouth and onto her lips and cheeks. We lay there for a short while I recovered. Then they pushed me off the boat and jumped in totally naked. We splashed around and

I finger-fucked them both to climax. I was rock-hard again. "To the dock." I said,

and we all climbed out of the water. We laid on the boards and I

got on top of Amber, pulled her legs over my shoulders, and slid my cock in deep. She squealed and moaned as I fucked her hot pussy. I felt Maria get behind me and she reached under and grabbed my balls and kneaded my ass, occasionally slipping a finger into my pucker back there. Meanwhile, I was doing my best to concentrate on fucking Amber.

Maria pulled me off her friend and said it was her turn before I came again.

She got in front of me on her knees and Amber slipped under her in a 69. I put my cock in Maria and could

feel Amber's hot breath on my sac as she was eating out her friend. I felt her tonguing my balls as I fucked Maria hard until it seemed like we all came at the same time. We went back down the dock to the boat and crawled into the beds in the cabin.

The next morning Neil was up first and when he saw the three of us crawl up on deck, he ventured a guess as to what we had been up to, and of course he was right. A little later in the morning, Maria gave him a sympathy fuck as Amber and I were in the other bedroom doing our own thing together. We spent the last two days of our vacation sailing, sunning and screwing as often as we could. In the end, it was an amazing Mexican holiday to remember; and lucky for us, the two ladies said they'd come to visit us in the states.
